

POWER YOUR FUTURE

Maine Electrical Institute Student Financing Program

Provided by **cPort Credit Union**

cPort has partnered with Maine Electrical Institute (MEI) to provide financial assistance for students beginning a career as an electrician. Through our MEI Student Financing Program, MEI students can access loans of \$2,250 for limited courses or up to \$6,800 for the maximum course option.

As a cPort Member, you'll receive benefits designed to support both your training and your career journey. The program also offers competitive terms and rates, and the rate shown already includes a 1% discount from cPort's personal loan base rate.
